1. FEES

The fees for building permits are hereby established. There is a filing fee of thirty-five (\$35.00) dollars together with an inspection fee based on the value of the completed structure or project. The inspection fee shall be:

<u>Value</u>	<u>Fee</u>
Swimming Pools	\$50.00
Driveways	\$15.00
Well	\$25.00
Septic Systems (Up to \$10,000)	\$75.00
Construction	
Up to \$10,000	\$35.00
10 to \$25,000	\$55.00
25 to \$50,000	\$85.00
50 to \$100,000	\$110.00
Over \$100,000	\$145.00 plus \$2.00 per \$1,000

The entire fee shall be paid together with the permit application documents. In the event that the permit is denied, the inspection fee may be refunded.

2. PERMIT DOCUMENTS AND TESTS

All permit applications shall be made on forms acceptable to the Building Inspector. All application forms shall be complete and shall contain all information required under Article 10, Paragraph A of the Building Law.

Where applicable, all applications shall include a plan or detailed sketch, drawn to scale of not less than fifty feet to the inch, showing the location of property lines, buildings both existing and proposed, roads and driveways, streams, brooks, rivers, ponds and other natural or man made bodies of water, existing and proposed sewage disposal systems, and logs showing that the soil depth is at least six feet at the location of the sewage system leach field together with percolation test results. The plan shall also include the design of the proposed sewage system including location and size of the septic tank, location and installation details of the leach field. Percolation tests must include certification by the person performing such tests together with his/her professional seal. Percolation tests will be conducted by the Building Inspector or his designated Agent after payments of all filing fees.

ADDITIONAL SPECIFICATIONS AND REMARKS:

- 8. ESTIMATED COST (All costs associated with proposed project exclusive of land acquisition) \$ \_\_\_\_\_
- 9. PLOT DIAGRAM (Locate clearly all buildings, whether existing or proposed. Show road names and set back distances from property lines. Attach separate sheet if necessary.)
- 10. APPLICATION IS HEREBY MADE to the Town of Easton Code Enforcement for the issuance of a Building Permit pursuant to the provisions of Local Law No. 1 of 1976 and the New York State Uniform Fire Prevention and Building Code. The applicant agrees to comply with all applicable provisions of said Law and Code as well as all applicable local, county or state laws and/or ordinances.

I DO HEREBY CERTIFY that before I start construction on my home, I will have obtained a perc test and an approved septic system. I will also have drilled a well and/or have established another approved water supply system and have it tested for purity.

If I fail to do so, all other permits granted me by the Town of Easton may be revoked.

\_\_\_\_\_ (Signature)

I DO HEREBY CERTIFY that I am in compliance with the Town of Easton Subdivision Laws and it is my sole responsibility to be so.

If I am found not in compliance, all permits granted to me by the Town of Easton may be revoked.
